Policy for Recruiting Staff / Committee Members

It is the Management Committee's policy to comply with its own Equal Opportunities Policy and make sure that any staff vacancy is open to all to apply.

It is further the committee's policy to recruit members who represent the groups or organisations that use the hall or can offer specific skills or experience that can fill gaps in the committee's knowledge or capability.

All new members are provided with a welcome document that outlines the duties and responsibilities of Trustees.

This Policy will be monitored and is subject to an annual review.
